1. PURPOSE

- 1.1. This document specifies Laneway International College's (the College) recognition of prior learning (RPL) and credit transfer (CT) policy and procedure. It sets out guidance to staff and learners to assist them with the application process for RPL and CT.

2. SCOPE

- 2.1. This document applies to all staff and learners in the College.

3. DEFINITIONS

- 3.1. *Credit Transfer (CT)* is a process that provides credit for a unit of competency previously achieved.
- 3.2. *Formal learning* refers to learning that takes place through a structured program of instruction and is linked to the attainment of an AQF qualification or statement of attainment (for example, a certificate, diploma or university degree).
- 3.3. *Informal learning* refers to learning that results through experience of work-related, social, family, hobby or leisure activities (for example the acquisition of interpersonal skills developed through several years as a sales representative).
- 3.4. *Non-formal learning* refers to learning that takes place through a structured program of instruction, but does not lead to the attainment of an AQF qualification or statement of attainment (for example, in house professional development programs conducted by a business).
- 3.5. *Recognition of Prior Learning (RPL)* is an assessment process that assesses an individual's existing competency against the requirements of one or more units of competency. An individual may have previously acquired certain skills and knowledge through formal, non-formal and informal learning, and RPL is a way of recognising their existing competency so they do not have to undertake training and assessment in units (or part thereof) that they are already competent.

4. POLICY STATEMENT

Recognition Of Prior Learning

- 4.1. In accordance with the requirements of the VET Quality Framework, when a learner or prospective learner applies for RPL, the College will assess the individual's existing competency against the requirements of one or more units of competency as per the learner's application.
- 4.2. If a learner or prospective learner is able to demonstrate competency against the requirements of one or more units of competency as per their application, the College will award the learner the unit(s) of competency via RPL.
- 4.3. RPL should be applied for at the start of a course to make sure the appropriate adjustments can be made to the learner's study schedule.
- 4.4. All learners are made aware of the ability to apply for RPL throughout the enrolment and induction process of the course.
- 4.5. Using the information contained in the relevant units of competency, the college is able to determine the extent to which an individual meets the requirements of a particular unit of competency.

Credit Transfer

- 4.6. Learners are not required to repeat any unit of competency in which they have already been assessed as competent, unless a regulatory requirement or license condition (including industry licensing schemes)

requires this. Where a learner provides suitable evidence they have successfully completed a unit of competency at any RTO, the College will provide credit transfer for that unit of competency.

- 4.7. CT should be applied for at the start of a course to make sure the appropriate adjustments can be made to the learner's study schedule.
- 4.8. All learners are made aware of the ability to apply for CT throughout the enrolment and induction process of the course.
- 4.9. CT can be granted for any units of competency that have been previously attained and which (a) match units of competency within a course a learner will be studying or (b) where units of competency are deemed to be equivalent as listed on the National Register.
- 4.10. The College recognises all nationally recognised qualifications and unit of competency issued by Registered Training Organisations in Australia.
- 4.11. There is no cost to learners where CT is granted for one or more units of competency.

5. PROCEDURE

Recognition Of Prior Learning

- 5.1. Prospective learners are informed of, and provided with the opportunity to apply for, RPL during the enrolment process.
- 5.2. If a prospective learner wishes to apply for RPL, they are required to indicate this on their enrolment application form.
- 5.3. Once the College receives the enrolment application form, the learner will be provided access to the RPL Application Form and a copy of the unit(s) of competency within the qualifications they are applying for, so they can clearly see the competencies they will need to be able to demonstrate to the College.
- 5.4. If the learner believes they have the skills and knowledge to gain RPL, they must submit the completed and signed RPL Application Form together with all supporting documents.
- 5.5. The fee to assess a learner for RPL is \$350 per unit of competency, which must be provided with the completed RPL Application Form and evidence. There is no refund of the RPL fee should the learner be unable to demonstrate sufficient evidence to be granted RPL.
- 5.6. The Academic Director or delegated trainer and assessor will review the learner's RPL application and supporting evidence against the requirements of the unit(s) of competency, only if the applicant passes the initial assessment of academic suitability. If the applicant is not successful in demonstrating academic suitability for their chosen course, the RPL application will be rejected and the fee refunded.
- 5.7. If the evidence provided is satisfactory for the units of the qualification, then the learner will be deemed competent in those units. If the learner achieves competency in all the units of the qualification, they will be awarded the qualification.
- 5.8. The learner's tuition fees will be amended accordingly to reflect the change in study load.
- 5.9. If sufficient evidence of competency *is not* demonstrated, the Academic Director will inform the learner that more evidence is required. Further evidence must be supplied within five working days from the learner being informed.
- 5.10. If no further evidence is provided within five working days, or if further evidence of competency is not sufficient, the Academic Director will inform the learner in writing stating that their application for RPL for one or more units has been unsuccessful, providing the reasons.

- 5.11. If the learner wishes to appeal the decision, they must inform the College in writing within five working days from the date of the rejection letter. The normal College appeals process will be apply at no cost to the learner.
- 5.12. If the learner's appeal is successful, the learner is awarded one or more units of competency via RPL. The learner will be required by the Academic Director to sign acceptance of the decision to grant any applicable RPL. This acceptance will be placed in the learner's file.
- 5.13. If the learner's appeal is unsuccessful, the Academic Director will inform the learner in writing of the outcome within 10 working days. The Academic Director will also inform the learner in writing that they have the right to make an external appeal to an independent complaints and appeals body (Overseas Students Ombudsman) with 20 working days.
- 5.14. Copies of all associated documents and correspondence will me kept on the learner's file.

Credit Transfer

- 5.15. Prospective learners are informed of, and provided with the opportunity to apply for CT during the enrolment process. Additionally, learners are entitled to apply for CT for a course in which they are currently enrolled.
- 5.16. If a prospective learner wishes to apply for CT, they are required to indicate this on their enrolment form.
- 5.17. Once the College receives the enrolment form indicating the prospective learner wishes to apply for CT for one or more units of competency, the College will provide the learner a CT Application Form containing further instructions.
- 5.18. The learner must submit the completed and signed CT Application Form together with supporting evidence - certified copies of certificates (testamurs), records of results or statements of attainment issued by another RTO.
- 5.19. Certification documentation issued by another RTO will to be accepted and recognised by Laneway International College. However, the Academic Director will verify the document(s) with the issuing RTO.
- 5.20. Once the veracity of the documents is confirmed, the Academic Director will arrange for the learner to be awarded one or more units of competency via CT.
- 5.21. The learner's tuition fees will be amended accordingly to reflect the change in study load.
- 5.22. CT will not be granted for units of competence that are not included in the College scope of registration.
- 5.23. CT will only be awarded for whole units of competence.
- 5.24. Learners are not permitted to enroll in entire qualifications via CT only.
- 5.25. Copies of all associated documents and correspondence will me kept on the learner's file.

6. RESPONSIBILITIES

- 6.1. The Chief Executive Officer is responsible for the implementation of this policy and procedure and to ensure that staff and learners are aware of its content.
